## ABOUT ME

As a recent BCA graduate with a strong passion for technology and a keen eye for detail, I am excited to kickstart my career in the field of computer applications and web development. Throughout my academic journey, I have gained a solid foundation in programming languages, database management, and web design. I am eager to work on dynamic projects that will allow me to apply my knowledge and grow as a professional in the IT industry. My ultimate goal is to leverage my technical expertise and creativity to create user-centric web applications that not only meet clients' needs but also leave a lasting positive impact on users.
